

## ENVIRONMENTAL POLICY STATEMENT

October 26, 2015

Subject: Inside Track Cabling Environmental Policy Statement

At Inside Track Cabling, we are committed to leading the wire, cable and harness industry in minimizing the impact of our activities on the environment. Our commitment to protect the environment extends from ourselves to our suppliers, our customers, our staff, and the community in which we operate.

We pledge to:

- Meet or exceed all environmental legislation as it relates to our company and its operation.
- Provide a workplace free of recognized hazards and maintain healthy working conditions for our employees.
- Source and promote a product range to minimize the environmental impact of both production and distribution.
- Minimize waste by evaluating our operations and ensuring they are as efficient as possible.
- Closely monitor our facility and our operations for prevention of pollution.
- Participate in recycling to the greatest practical extent to reduce impact on landfills and actively promote recycling amongst our customers and suppliers.
- Effectively communicate our environmental commitment and efforts to our suppliers, our staff, our customers, and our community.

Sincerely;

A handwritten signature in blue ink that reads "David L. James". The signature is written in a cursive style with a horizontal line underneath the name.
